## Exciting Events

As I write this our first buses have left for the Albury Convention Centre for the Performance of ‘Vegemania’. There are many excited students today looking forward to the big moment of the production happening on stage under the under lights. After this big day the performance happens again this evening at 7pm to a capacity audience! I wish to thank all our staff who have committed time and energy so our students can experience the excitement of real, live theatre where they are the performers!

*A special thank you to our MYOS students, staff and especially Maureen Guy and John Woods who have coordinated the production.*

## Literacy and Numeracy Week

Please see our attached flyer outlining the exciting events we have arranged for next week.

## Arts Festival

Also next week many of our classes are performing their items from Vegemania at the Wodonga Civic Centre. Parents are welcome to attend and also to look at the wonderful Visual Arts Display in the foyer.

## What’s happening in the garden?

Unfortunately it looks a bit like a lake, however I’m sure the rain is all good. Classes are enjoying wearing the gumboots we purchased last year as they top dress the garden beds with compost. Some of our MYOS boys have paved the entry way into the garden. Cabbages, leeks and fennel are all ready to harvest.

## What’s happening in the kitchen?

It really is a marmalade and pickle factory in the kitchen as students prepare our citrus for preserving. Also on the menu this fortnight is Cannelloni Bean Ragu or Creamy Parmesan Polenta and Sauteed Tuscan Kale with Pancetta finishing off with Banana Cupcakes.
